

Updated – January 22, 2021

Welcome to the year 2021. The Dakota County Soil and Water Conservation District (SWCD) office remains closed to the public in response to the COVID-19 health pandemic. We are committed to the health and safety of our employees, partners and the public. You can contact us by phone at 651-480-7777 or by email at swcd@co.dakota.mn.us

The SWCD Board of Supervisors meets the 2nd Thursday of each month via teleconferencing as applicable under law. Meeting information is available on our web site at www.dakotaswcd.org.

Our office does offer pesticide applicator testing by individual appointment only. Please contact Todd Matzke at 651-480-7780 to schedule an appointment. The SWCD office remains closed for other appointments, meetings or events.

We look forward to assisting residents, landowners and partner organizations in 2021. Please continue to be safe and we will provide future updates as the situation evolves.

Sincerely,

A handwritten signature in blue ink that reads "Brian Watson".

Brian Watson, District Manager
Dakota County Soil and Water Conservation District
