

SPRING LAKE CLEANUP

August 28, 2010

National Public Lands Day.

NPLD is the nation's largest hands-on volunteer effort to improve and enhance the public lands.

In recognition, a cleanup will take place at Spring Lake. Both the shoreline and the island areas of the Dakota County side of the Mississippi River channel. Our goal is between the dam and the CF industries grain dock.

We need people who can help with the cleanup on the shoreline, as well as shallow bottom boats for the island cleanup.
